

Appendix C: Element Attribute Dictionary

C.3 Data Views (for data collec

The Airport will partner with the project teams to develop the Data View Definitions matrix (see Figure C.3.1). The matrix defines the scope, who authors data, when it is available (i.e. the DVD milestone), and in which model the data will be finally added. The DVD milestones can correspond with project milestones, coordination schedules or submittal schedules; as determined by the project team and agreed upon by the Airport (see Figure C.3.2).
