

### 5.5.5. Metadata Elements

Additional information about the data presented in a drawing also appears in the title block. This information (metadata) is shown in Figure 10 and described in the subsequent sections:

Figure 10 Metadata in the Title Block

The figure shows a title block form with various fields. Three blue arrows point from labels on the left to specific fields in the form:

- Date** points to the **DATE:** field, which contains the value **JULY 21, 2016**.
- Final Sequence No.** points to the **SEQUENCE NUMBER** field, which contains a blank line followed by **OF TBD**.
- Review Status** points to the **DESIGN DEVELOPMENT** field.

The form itself contains the following fields and values:
