1.7   Suggestions to Change this Document

Consultants and Airport staff members are encouraged to recommend changes to this document that they feel will improve their ability to meet the Airport's needs. These changes may be clarifications, additions, or deletions. Requests to add layers shall follow the layer naming conventions specified in the latest version of the NCS or A/E/C CAD Standard. Any changes that deviate from the requirements in this document will not be implemented until approved by the Airport. Approved deviations must be implemented before the first drawings of a contract are submitted. Change requests shall be submitted by emailing the form provided in Appendix A to CADstandard@flysfo.com.
