3.6.5. Text Styles

Annotation text within the drawing shall be in the Swis721 Cn BT font. Text within the border sheet shall be in the Swis721 Cn BT font. These fonts may be modified in size, color or style (bold, italics, underline, outline, etc.) as needed for additional emphasis or de-emphasis. These fonts are installed by default on most computers running the Microsoft Windows™ operating system. Other versions of these fonts are not permitted.
